BASEBALL/SOFTBALL

Purple Classic Mesh with TuffPrint

THE POWER OF
BRANDING®

TUFFPRINT™

Printing that lasts
as long as your
windscreen.

Red ArmorMesh with TuffPrint

IncrediSeal™ a new standard of excellence on ArmorMesh, VCM9X12 and VCP1800.

- All sewing and stitching eliminated = zero possibility of thread breaks resulting in or causing open seams or hems
- 'Clean' look – lays flat, no pleats, no black webbing, no stitches
- Manufactured with 21st century technology

IncrediSeal™
Incredible Quality

Standard Features

Brass grommets on bound reinforced or heat-sealed hems

Lacing lip for screens over 6' high. Prevents billowing & breakaway.

Optional Features

Half-moon air vents or 6" x 12" boxed air vent

Accessories

8" cable tie

Standard (50lb tensile) or Heavy-duty (120lb tensile) to preventing wind damage

**HEAVY-DUTY
RECOMMENDED**

FenceMate® Classic Mesh Windscreens

THAT BIG-LEAGUE LOOK FOR BASEBALL FIELDS!

FenceMate attaches to any fence to provide:

- An attractive cover for plain, chain link outfield fencing
- Blockage from distractions and wind around the dugout
- An excellent visual background for players.

FEATURES:

- Maximum UV protection
- Standard heights: 6' and 9' (custom available), finished to any length
- Multiple colors to match your team's, see pgs. 6-7
- Center lacing lip is standard for screens higher than 6' (extra row of grommets prevents wind damage)
- Brass tooth grommets, spaced 18" apart on all sides
- IncrediSeal heat sealed hems standard (see left)

FenceMate® ArmorMesh Windscreens

OUR MOST DURABLE FENCEMATE WINDSCREEN!

For the heaviest, most durable, longest-lasting fence cover on the market, look no further than ArmorMesh! These windscreens include Classic Mesh features and:

- 14 oz. woven, extrusion vinyl-coated polyester
- Excellent tear strength*
- Outstanding abrasion resistance – up to six-times more than traditional VCM dip-coated windscreen*
- Fabricated with IncrediSeal heat-sealed hem!
- Available in 13 colors, see pgs. 6-7

THE FABRIC CHOICES ARE ENDLESS!

In addition to Classic Mesh and ArmorMesh, CoverSports manufactures FenceMate® from 6 other tough fabrics in a variety of densities and styles. See pages 6-7 for complete options.

*Contact us for test results.

FenceMate® Classic or ArmorMesh Printed Windscreen Panels

From simple lettering to full-scale graphics, the power of branding can:

- Brand and add value to your school and team
- Customize your facility and dress up your fence and ballfield
- Generate ad revenue by displaying your sponsor's logo
- Promote team spirit

See fabric specs on pgs. 6-7.

See pg. 36 for information about the TuffPrint ultra-durable customization process.

The Power of Branding is strong and the possibilities are endless.

Which Fabric is Best?

It all depends on what you need from your windscreen:

- Classic Mesh (VCM9X12) is a lighter weight, closer weave that displays color and printing beautifully
- ArmorMesh (VCP16X16) is an extremely durable fabric that allows more wind passage and has our longest warranty

FenceMate® Batter's Eye

BATTERS, KEEP YOUR EYE ON THE BALL!

Provide the best hitting background, so batters can keep their eye on the ball! CoverSports will manufacture a batter's eye to meet your custom size needs.

FEATURES:

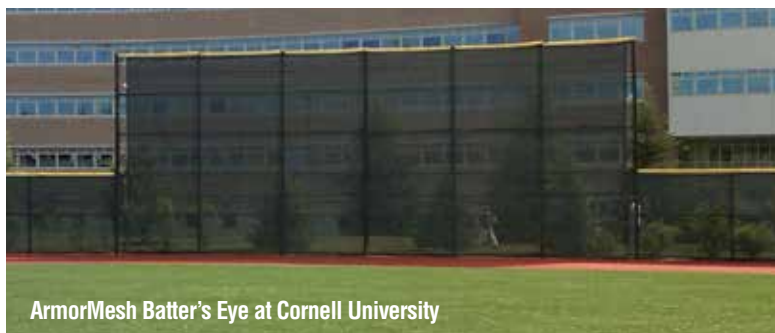

- Heavy-duty reinforced hems with brass grommets at 18" intervals
- Durable woven polypropylene fabrics (recommended)
- Lacing lips sewn throughout the cover, not just perimeter edges

Purple ArmorMesh with TuffPrint

Black ArmorMesh with TuffPrint

ArmorMesh Batter's Eye at Cornell University

Premium SafeFoam®: 5-year pro-rated warranty.
Standard SafeFoam®: 3-year pro-rated warranty.
See website for full details.

Standard Feature

Height provides clear home run marker

Permanently attaches with hog-rings (included)

Safety Top Cap™ Fence-top Protection

OUTSTANDING VISIBILITY FOR OUTFIELD FENCING!

Safety Top Cap serves two purposes. First the unique design provides protection against bodily injury by covering the exposed barbs on top of a chain link fence. Second, it displays nicely as a decorative trim piece to complement any galvanized or colored chain link fence system.

FEATURES:

- Simply snap over the top of the fence and lock to the wire mesh with steel hog-rings (included with each package) through the three pre-drilled holes on each piece
- Manufactured using HDPE plastic with UV stabilizers. Designed to endure high impact, resist the harmful effects of the sun and withstand severe weather conditions.
- Resists vandalism by using the hog-rings to permanently attach the Safety Top Cap to the fence

Safety Top Cap Specifications

Size	5.5" high x 2.75" wide x 8' long
Coverage/bag	40 linear feet
Colors*	 Safety Yellow, Red, Green, White, Royal Blue, Brown, Black
Hog-rings/bag	15

**Yellow and black are stock colors. All other colors require a minimum order quantity of 50 bags.*

Safety Top Cap and Safety Top Cap Lite have a 25-year limited warranty against breakage under normal conditions. See website for full details.

Safety Top Cap™ Lite

A new, affordable way to cover your fence-tops, keep your ball park or playground safe and looking nice.

Safety Top Cap Lite Specifications

Size	4" high x 2.25" wide x 8' long
Coverage/bag	80 linear feet (ten 8' sections)
Colors	 Safety Yellow, Black
Attachment	4-hole punched with black cable ties

Outdoor Padding

SAFE FOR YOUR PLAYERS AND THE ENVIRONMENT!

With CoverSports' outdoor padding collection you can pad your stadium walls and fences so your players are protected when they're catching balls on the fly.

Backstop Padding

Attach Backstop Padding to your fence to reduce bounce-back and protect your catcher.

Backstop Padding Specifications

Foam Type	2" (standard.) 3" or 4" (custom) Flex-Firm foam, 2' folding sections			
Covering	18 oz. PVC coated covering

Patent #US D635.275 S

CUSTOM SIZE
ONE-PIECE KITS
AVAILABLE

Traditional In-Ground Grand Slam Fencing™

THE NATURAL TURF SOLUTION FOR OUTFIELDS

FEATURES:

- Durable yet soft, and easy-to-handle
- Quick and easy to set up and take down, see below
- Red, blue or green, all with yellow home run marker
- Pole spacing: 10' standard, 5' reduces sagging (see below)
- 4' high
- Available in 5 different one-piece lengths:
300' HR (471'L), 200' HR (314'L), 150'L, 100'L, 50'L
- See pg. 19 for accessories

BENEFITS:

- Creates an enclosed ball field with HR marker
- Low cost
- Requires minimum storage space in off season

Extra stability and reduced sagging with optional poles at 5' intervals

The additional poles keep your Grand Slam Fencing System more taut and resistant to movement during wind, for an even more attractive and durable outfield solution. Optional sockets provide enhanced ground reinforcement. (see pg. 19)

Poles at 5' intervals

IN-GROUND Grand Slam Fencing™ IS EASY TO SET UP AND TAKE DOWN

1. Insert poles through 3 loops woven into fence fabric.

2. Attach fence fabric to top cap with easy open/close latch.

3. Mark and drill holes for poles with 18" auger (included).

4. Place poles or (optional) sockets in holes. Fence is ready for use!

5. When you take down fence, roll up with poles in place. Takes minutes!

Kit sizes & components, see page 18

Above-Ground Grand Slam Fencing™ (patent pending)

**PORTABLE FENCING THAT CAN BE USED ON
SYNTHETIC TURF, ASPHALT, CONCRETE AND
NATURAL TURF TOO! NO HOLES REQUIRED!**

ALL OF THE GREAT FEATURES OF IN-GROUND GSF
(except no sockets or foul poles):

- Durable, yet soft and easy-to-handle
- Quick and easy to set up and take down
- Red, blue or green, all with yellow safety marker
- Standard: poles at 10' intervals
Optional: poles at 5' intervals
- Weighting for each pole to stand up to wind and prevent tipping

BENEFITS OF ABOVE-GROUND Grand Slam Fencing:

- An attractive, durable and cost-effective solution for baseball/softball outfields, and perimeter and crowd control needs
- Installation and removal quick and easy – no barriers to move and minimal storage space required!
- A fraction of the cost compared to other options
- Perfect for any event where drilling holes is not an option or not preferred

WHAT TO EXPECT:

- AGGSF will move when players impact the fence. Poles will bend and base weights will move.
- AGGSF will also move or blow over from strong winds. Adjustments to pull fence taut or to upright poles will be needed if the fence remains on the field for the season.
- AGGSF is durable, but not indestructible – regular bending of poles and strain on 4-way bases fitting (e.g. bending of fence to retrieve balls instead of walking around fence) will eventually result in breakage. Replacement parts are available for purchase. Minimizing wear-and-tear on fence parts will lengthen the life of AGGSF.

(not recommended for use during 30 MPH winds or greater)

Above-Ground Grand Slam Fencing Feature

Weighted base keeps fence in place

Grand Slam Fencing: 2 year warranty.

Grand Slam Fencing™ Standard Length Kits (150', 100', 50')

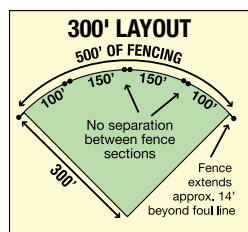

Benefits:

- Easier handling of smaller sections
- Can design with overlap/gap in sections for ball retrieval
- Design flexibility—can change outfield distance by adding or eliminating sections

For 300' home run distance (baseball)
you can use 500' of fencing.

Recommended kits:

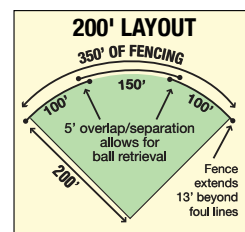

- 2 each 150' fence kits
 - 2 each 100' fence kits
- Extra fencing allows for extension beyond
foul line or overlap

For 200' home run distance (softball & Little
League) you need a minimum 314' of fencing.

Recommended kits:

- 1 each 150' fence kits
 - 2 each 100' fence kits
- Extra fencing allows for extension beyond
foul line or overlap.

Premium Grand Slam™ Fencing Kit (In-Ground Only)

EVERYTHING YOU NEED FOR A PROFESSIONAL LOOKING TEMPORARY BALLPARK.

Available in two sizes, for a 200' or 300' home run distance, our Premium Kit includes the socket kit, foul pole kit, distance banners, and a tape measure. Everything you need for a long-lasting and easy to manage installation.

Premium Grand Slam Fencing™ Kit includes

Features	Benefits
314' or 471' of fencing (for 200' or 300' Home Run Distance)	Create a temporary outfield for your softball or little league team
Poles for either 10' or 5' intervals	Poles at 5' intervals provide extra wind resistance and keep fence taut
Sockets and caps for each pole	Additional ground reinforcement helps withstand wind and gameplay; caps cover socket when not in use
Foul Pole Kit	Clearly marks foul territory and provides a finished look
Three Distance Banners	Marks home run distance for spectators and adds to professional aesthetic
Tape measure, auger, socket tool	Allows for easy and correct installation

In-Ground Grand Slam Fencing™ Accessories

Socket kit

Socket Kit

FEATURES:

- 12" long PVC socket (quantity varies per kit)
- Top cap to cover socket when not in use
- Tool to set socket

BENEFITS:

- Easy to install/stays put for easy reinstallation
- Gives extra stability
- Allows for quick removal of fence for mowing or events

Foul Pole kit

8' High Foul Pole Kit

(not available for above ground fencing)

FEATURES:

- Two 8' yellow foam foul poles
- Two PVC reinforcing foul poles (attach to fence end poles)
- Two ground sockets
- Six 19" yellow tie wraps for attachment

BENEFITS:

- Gives the outfield that finished look
- Only fits In-Ground fencing

Sponsorship Banners

Sponsorship Banners

FEATURES:

- Printed on durable 13 oz. vinyl
- 4' high and 5' long
- Grommets for easy attachment

BENEFITS:

- Leverage The Power of Branding to help cover the costs of your fencing and ball field
- Raise money by offering sponsorship opportunities
- Encourage additional support by displaying current sponsors

FieldSaver® Winter Turf Blankets/Growth Covers

EXPERTS CHOOSE OUR DUAL-PURPOSE COVER! GREENER, THICKER GRASS, IT'S INCREDIBLE!

Sports turf managers and golf course superintendents agree that our Winter Turf Blankets/Growth Covers from CoverSports are the ones to choose.

AS A WINTER TURF BLANKET

Provides turf protection from the harsh winter conditions:

- Shields your turf from wind, ice, snow, frost
- Prevents unwanted foot and animal traffic

AS A GROWTH COVER

Promotes faster growth and green-up in the spring:

- Warms the soil and air temperature
- Allows light to pass through

FEATURES:

- The industry's best strength and durability
- Proven by experts in the field
- 3 oz., 100% woven polypropylene
- 6-ply, double-stitched hems
- 90% light pass-through
- Brass spur grommets spaced 5' apart

FieldSaver® Winter Turf Blankets/Growth Covers have an 8-year limited warranty. See website for full details.

Actual photo – not retouched

Shaw Park, Clayton, MO. February 27, 2011. Covers in place November, 2010. Visit www.coversports.com for full case study.

"The results were incredible. Not only did the existing grass grow and green up, but the bare spots that we seeded in the fall were covered with thick new grass."

**Paul Heron, Grounds Supervisor,
Unionville-Chadds Ford School District, PA**

"CoverSports supplied me with custom-made, high-quality growth covers. They really hold up during the harsh winters of the Northeast. The edges don't rip, and the grommets provide a nice spot to pin them down."

Dan Shemesh, New York Red Bulls, MLS

Included with all Covers

Sod staples included to keep blanket secure in the off-season

Individual storage bag ready for labeling

Optional Accessories

9" stakes in brushed metal or safety yellow

Safety yellow color prevents losing stakes in turf

Soccer field

Golf Course

The CoverSports Competitive Advantage

	COVERSPORTS GROWTH COVER	Competition	COVERSPORTS ADVANTAGE
Fabric	3 oz., 100% woven polypropylene	Polyethylene or non-woven	Longer life
Construction	6-ply hems, double-stitched	Raw edges you turn under	Staples and stakes stay put
Fabric properties	Heavier weight, good tear strength	Lighter, less tear strength	More durable
Grommets	Brass spur grommets spaced 5' apart	None	Secure tie-down
Lab Tested Results	See Penn State Study below	Some are untested	A proven product!
Color	Translucent/90% light pass-through	Black/Dark green	More light passage. Promotes faster growth.

THE PENN STATE STUDY ON A "PUSH-UP" STYLE PUTTING GREEN.

HIGHLIGHTS:

- 10.5% higher January turf temperature
- 60% better color* (4 vs. 2.5)
- 78% higher growth yield* (16 g. vs. 9 g.)

*Per Duncan's new multiple range test

Read the complete study on the CoverSports Growth Covers Effects on Putting Green Winter Temperature, Spring Green-up and Growth by Dr. G.W. Hamilton, Jr. of the Pennsylvania State University Valentine Turfgrass Research Center.

GymGuard® Floor Covers

ADD YEARS TO THE LIFE OF YOUR GYM FLOOR!

Most gyms are multi-purpose. So your gym floor has to hold up to a lot more than sports - dances, concerts, graduations and other activities. It gets heavy foot traffic, stains, scuffs, impact from furniture and more. GymGuard® covers are built tough to protect your investment.

FEATURES:

- Ultra-durable, 3 ply fabrics – PVC coated (on both sides) polyester mesh.
- Fire retardant to all standard fire codes – NFPA 701, CA Fire Marshal and UL 300
- Available in 15 colors and 5 weights
- Waterproof, rot and mildew resistant, anti-fungal and anti-bacterial
- 10' wide sections – seams are strong and lay flat and smooth
- Custom-made to your gym floor dimensions, or
- Available in 10' x 100' sections for quick shipment

IT ONLY TAKES
30 MINUTES

Pre-cut 10'x100' floor sections – quick shipment and lower price!

- Available in Tan and Royal Blue
- Available in 18 oz., 22 oz., 27 oz. and 32 oz.
- Ships on a roll

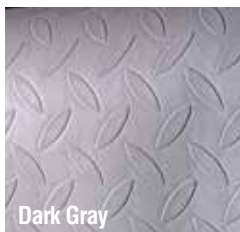

GymGuard Floor Covers have full warranty against fabric and manufacturer's defects. See chart to right. See website for full details.

GymGuard® Plus

Durable gym floor cover protection PLUS a unique raised pattern provides more than 2 times the slip resistance* of standard GymGuard surfaces.

- Advanced slip resistance = enhanced level of safety
- Available in Tan and dark gray colors
- 32 oz. and 27 oz. weights

* Contact us for test results.

COVER SIZING - THE 10-FOOT SOLUTION

GymGuard covers are constructed in 10' wide sections for easy handling. When figuring the size of the cover you need, we suggest adding 6"-12" for overlapping each section.

(For example, for a 75 x 110' floor, order 8 sections measuring 10' x 110' each.)

HOW TO CHOOSE THE RIGHT COVER?

To recommend the most cost effective GymGuard cover for your application, we need to know:

- Expected frequency of cover use per week/month/year
- Types of functions you will have on the covered floor
- Dimensions of gym floor
- Color preference

GymGuard Fabric Specifications and Colors Rugged Substrates + Durable Coatings = Longer Wear

Standard Features

Two hand cranks with rotating grips for easy winding

Aluminum safety collars, yellow security bars, blue vinyl end caps

Four 8" non-marking, urethane swivel wheels with safety brake

Premier Rack

Premier Features

Storage trays with safety leg extenders

Six 8" wheels

GymGuard® Mobile Storage Racks

EASY LAY-DOWN AND ROLL-UP OF FLOOR COVERS.

Our standard rack allows safe, fast and easy covering of the gym's surface. Roll-up and transport to storage area can be done by two people.

Racks are available in 6, 8 and 10-roller models.

FEATURES:

- Four 8" non-marking urethane, swivel-type wheels can support up to 3,600 pounds of cover and rack
- Yellow safety bar and aluminum safety collars – prevent the roller from popping out, side-to-side movement and accidental finger pinching
- Blue vinyl end caps – protect from sharp edges
- Safety brake – placement and design make it easy to lock all wheels in place
- Rollers are 14-gauge galvanized steel and the entire frame is a mig-welded, all steel construction

INCLUDED WITH ALL RACKS:

- New rotating grip makes rolling up easier
- 3 fabric clips per roller for securing cover to roller
- Instructions for assembly and operation

Premier Mobile Storage Rack

The Premier Rack is an upgraded version of the Standard Rack that includes even more safety features:

- Six 8" diameter wheels reduce risk of damage to floor boards by distributing weight load and allow for easier rack movement
- Two safety leg extenders with two 3" wheels on each provide extra stability
- Storage trays to hold extra rolls of tape or the Power Winder

Storage Rack Specifications

Sizes	
Standard Rack	34" W x 12'6" L x 67" H for 10' wide covers

How to Choose the Right Mat for Your Needs

Sport/Application	Recommended Foam Type	Description
Gymnastics - Beginner	2" Flex-Firm	Provides soft cushioning for low impact activities. Ideal for teaching basic gym exercises with young children. Provides low shock absorption.
	2.5" Extra-Firm/Flex-Firm Combo (Cross-link type/Flex-Firm)	Provides more density and firmness than Flex-Firm. One ply of Extra-firm bonded to Flex-Firm. Provides firm landing and prevents bottoming out.
	4", 8" or 12" Classic (Safety Landing Mats)	Provides added support and thick cushioning for falls and landings during practice.
Gymnastics - Intermediate	2" Medium-Firm (Bonded type)	Medium-firm foam provides safe cushioning for medium impact activities.
	2.5" Extra-Firm/Flex-Firm Combo (Cross-link type/Flex-Firm)	One ply of Extra-firm bonded to one ply of Flex-Firm. Provides semi-soft cushioning, firm landing and stable shock absorption for medium impact activities. Prevents bottoming out.
Gymnastics - Advanced	1.5" Extra-Firm (Cross-link type)	High density offers firm, lightweight shock absorption for top recoil. Provides stable landing surface that won't bottom out. 1.5" Extra-firm foam laminated to Flex-Firm foam. Ideal for high-impact activities and tumbling. Provides significant shock-absorption for gymnasts sticking landings from vault, bars, and balance beam routines.
	5" or 8" Extra-Firm/Flex-Firm Combo (Cross-link type/Flex-Firm) (Competition Landing Mats)	
Gymnastics - Instructor Mats	2.5" Extra-Firm/Flex-Firm Combo (Cross-link type/Flex-Firm)	One ply of Extra-firm foam bonded to one ply of Flex-Firm. Ideal for beginners and for new skill development. Prevents bottoming out so gymnasts of all ages and skill sets can use the mat with confidence.
Martial Arts	1.5" Extra-Firm (Cross-link type)	High density provides firm footing and "street conditions", no sinking.
	2.5" Extra-Firm/Flex-Firm Combo (Cross-link type/Flex-Firm)	One ply of Extra-firm foam bonded to one ply of Flex-Firm. Provides firm footing with additional cushion for fall absorption.
Cheerleading	1.5" Extra-Firm (Cross-link type)	High density provides stable landing surface and firm footing for high-impact activities. Won't bottom out.
	2" Medium-Firm (Bonded type)	Medium-Firm foam provides safe cushioning for medium impact activities.
	4", 8" or 12" Classic (Safety Landing Mats)	Provides significant cushioning for landings at the end of tumble tracks.
Home Exercise Mat	2" Flex-Firm	Provides safe cushioning, comfort and moderate support for low impact, home exercise activities.
Gymnasium Wall Padding	2" Medium-Firm (Bonded type)	Medium-firm foam meets ASTM F2440 for impact resistance.
	2" Flex-Firm	More cushion than Medium-Firm, less impact resistance and shock absorption.
	2" Medium-Firm (Bonded type) FR	Meets ASTM E-84-08a for flame retardant.
	2" Classic	Provides extra softness and cushioning for protection against injuries.

Nissen® EnviroSafe® Foam Gym Products

EnviroSafe® Is the green foam to meet your needs

OUR FOAM

Our exclusive EnviroSafe Gym mat and padding collection is made of a specialized "green" foam product that is safe for your gymnasts, players and for the environment.

OUR FABRIC COVERINGS

Nissen EnviroSafe mat and wall padding fabrics are tough! Our PVC-coated fabrics are super tear-resistant, antibacterial, phthalate-free and have high UV and flame resistance. They can take the most rugged indoor and outdoor wear. All indoor mats and wall pad coverings meet fire codes – including NFPA 701, CA Fire Marshal and UL 300. Other vendors use 14 oz. laminated fabrics, which tend to peel after extended use. Our 18 oz./sq. yd. fabrics are coated in one homogeneous layer of PVC and polyester. See color chart on pages 31.

EnviroSafe FEATURES:

- Made from 60%-100% recycled pre-customer raw material
- Phthalate-free. Does not contain phthalates – chemical plasticizers that are often used to soften plastics.
- Excellent cushion resistance
- Varying degrees of firmness
- Safer than Urethane, Poly or Rebond foams
- Our wall padding line contributes to LEED credit score

For additional details, see our website.

The EnviroSafe® Foam Competitive Advantage

	EnviroSafe®	Urethane/ Poly Foams

Mold and Mildew Proof	YES	No
100% Recyclable	YES	No
No Leachable Chemicals	YES	No

EnviroSafe Gym Mats

Our EnviroSafe gym mat collection is safe for gymnastics, martial arts, and the environment. EnviroSafe has a suitable mat for all skill levels – from beginners to advanced – and activities – low and high impact tumbling, landings and movements. The foam choices range from very soft to extra firm to provide the right amount of cushioning and absorption. EnviroSafe gym mats are perfect for your gymnastic or martial arts club, school gymnasium or other athletic facility. They allow for easy handling and storage while not in use. See pg. 30 for recommended foams for your application.

Folding & Non-folding Mats

EnviroSafe tumbling mats are available in many foam choices, sizes and color combinations.

Safety Landing Mats

4" mats are typically used for elementary ages. 8" and 12" mats are used for training, skill building and safe landing in non-standing positions.

FEATURES:

- 1" color-matched handles on long sides
- Mesh breather strips on long sides
- Soft impact absorption – Classic foam
- 4" Velcro end flaps
- 18 oz. fire retardant PVC coated covering
- Three thicknesses: 4", 8" or 12"
- Safety landing mats are not EnviroSafe

Folding Mats

Non-folding Mats for Karate

12" Safety Landing Mat

Conference Banners

Sports Banners

Brand your athletic facilities with your team, school, or conference logos on banners that will catch the eye. We offer a variety of different fabric, printing and construction options:

Sports Banners Specifications

Fabric	Application
13 or 18 oz. Vinyl	Digitally printed in full color. Inexpensive, with vibrant color and extreme durability. Great for outdoor use and projects on a budget.
Soft Knit Polyester	Full color digital printing or dye sublimation. Sophisticated aesthetic and high quality results. Recommended for both indoor and outdoor use. Printed on white base fabric.
Nylon	2-5 layer appliqué construction or digital printing. Lightweight, hand crafted, and extremely durable. Usually used indoors. 15 stock colors available, custom colors can be ordered or printed.

FEATURES:

- Can be constructed single sided with or without a liner on the back, or double sided
- Edges hemmed all around, save for vinyl which can optionally be delivered unfinished
- TuffPrint™ printing lasts as long as the fabric
- Attachment options:
 - Pole pocket (3" standard, any size possible)
 - Grommets (spacing depends on banner size)
 - Webbing with D rings
 - Velcro

Polyester Pole Banners

Pole Banners

Extend your brand to the light and flag poles in and around your sports venue. Highlight your team colors and logo, display recent accomplishments, or transform your facility for a special event or postseason run. Sunbrella acrylic fabric is also an extra durable outdoor fabric option for this type of banner only.

Championship Banners

Tell the story of your team by hanging championship banners above your court or field.

Appliqué Banners

Exhibit the storied legacy of your institution with appliqué banners. Traditional and textured, these products last for generations and can easily be updated. Appliqué technique requires sewing custom cut pieces of nylon fabric onto a nylon background. This process is heavily reliant on hand craftsmanship and it shows in the final product!

FEATURES:

- Patterns are digitally designed, transferred to the nylon fabric, and cut & sewn by hand
- Between 2 and 5 colors
- Additional text can be added or updated with ease
- Single-reverse and unfinished reverse side construction also available in addition to single sided and double sided

Appliqué Achievement Banner

Sports Flags

Sports flags add a great deal to the atmosphere of any sports facility. Display your team name, logo, colors, or accomplishments in a flashy way! Our flags come in a variety of shapes, sizes and materials, including full custom construction.

Bleacher Enclosures

Use our custom made Bleacher Enclosures to prevent easy access to the under-side of your bleachers. Improve facility safety and reduce the chances of vandalism, all while giving your facility a more professional and finished appearance. Give your team spirit a boost by adding your logo to the enclosure with our TuffPrint™ printing process.

FEATURES:

- Fabric options:
 - Soft knit polyester (indoor only)
 - 13 oz. (indoor) or 18 oz. (indoor/outdoor) vinyl
 - 14 oz. ArmorMesh or 8 oz. Classic Mesh windscreen
- TuffPrint™ full-color printing available
- Grommets for attachment to bleachers every 18"
- Custom made to fit your particular bleachers

Polyester Fabric Bleacher Enclosure

Gym Divider Curtains

Gym Divider Curtains provide an easy and economical solution to divide your gym space for multiple activities.

FEATURES:

- Constructed of fire-retardant vinyl-coated polyester mesh to allow air flow, or solid vinyl for privacy (12 colors, see below)
- Available with mesh top (white or gray) and 18 oz. solid vinyl bottom, at no additional cost
- Walk-draw style
- Weighted bottom hem
- Made to your specifications in our manufacturing plant

COLORS:

Tan, Royal Blue, Light Gray, Red, Green, Burgundy, Kelly Green, Navy Blue, Dark Gray, Black, Orange, Yellow

THE POWER OF BRANDING WITH TUFFPRINT™

Printed 10 oz. Vinyl Rain Tarp

ArmorMesh Windscreen

Printed Stadium Padding

TUFFPRINT™

Printing that lasts
as long as your
cover.

Printed Wall Padding

TuffPrint™ printing warranty: the life of the cover.
See website for full details.

Promote your brand using virtually any athletic surface: fence screens, gym wall pads, field covers, stadium padding and sideline tarps. All can bring power to your brand while also adding to protection to your facility and players.

The power of branding

- Adds a 'wow' factor to any facility, such as gym, fields, stadiums, construction sites and event spaces
- Promotes group spirit and loyalty, and increases overall value of the brand. Helps make the brand unique.
- Raises revenue – prominently display your sponsors' and advertisers' brands
- Promotes awareness of the brand/organization – reinforced exposure brings more power to the brand

In-house graphics department

CoverSports uses the TuffPrint ultra-durable printing process to bring your brand to life! Because we are the manufacturer, the power of branding is more accessible and affordable than ever!

TuffPrint™ Advantages

Features	Benefits
One-color to unlimited color selection and gradient shading	Infinite graphic possibilities to display your brand, from simple lettering to intricate images
Image sizes of all scale can be printed	Satisfies need to print small banners to fully padded gym walls, large stadium wraps and everything in between
Ultra-durable imaging using premium ink	Professional grade ink creates vivid images
Printing done in-house	With all machinery on site, we pay careful attention to each step of the printing. Best pricing in the industry.
Printing lasts as long as the cover itself – will not wear off	Your branded message lasts, and makes a lasting impression

TuffPrint Step-by-step Process

1. Select your printable fabric - ArmorMesh, Classic Mesh or Solid Vinyl
2. Customer sends graphics, lettering needs, etc. to sales@coversports.com
 - Best if images are vector, eps or high-resolution pdf files
 - Or we can provide an image
3. CoverSports sends proof to customer (upon receipt of order)
4. Customer provides changes, (additional proofs provided)
5. Final proof is approved by customer
6. Production begins and product ships
